771 Main Street, P.O. Box 1116
Presque Isle, ME 04769

Dear Jason Parent:

Thank you for submitting a proposal in response to the Northeastern Workforce Development Board's (NWDB) request for proposal (RFP) for the One Stop Operator (OSO) services in Aroostook, Washington, Penobscot, Piscataquis and Hancock counties.

The Northeastern Workforce Development Board's (NWDB) proposal review team assessed and evaluated the OSO proposal using the criteria set forth in the RFP. The proposal submitted by the consortium including Aroostook County Action Program, Eastern Maine Development Corporation, and RSU 39, Eastern Aroostook Adult and Community Education has been selected to provide the requested services outlined in the OSO RFP. This award is a final decision of the NWDB and is pending negotiation of a mutually acceptable contract. The NWDB and NWDB Board Chair have authorized me to negotiate a contract in the total amount of \$10,000.00 per year for a two-year contract period and totaling \$20,000.00.

I will be in touch with you within the week to begin negotiating the final terms and conditions of the award.

Thank you again for your participation.

Sincerely,

Joanna Russell
Executive Director
