The Northeastern Workforce Development Board, (NWDB) seeks a service contractor or consortium of service providers (with a lead contract administrator) to serve as the provider of the Workforce Innovation Opportunity Act (WIOA) Title 1B services for the Youth Program as described herein.

ISSUING ENTITY

The NWDB is a local organization dedicated to bringing together employers and employees in Aroostook, Hancock, Penobscot, Piscataquis, and Washington counties in Maine to promote a healthy economy in the region. The NWDB seeks to provide residents with access to training and educational opportunities as well as necessary support to obtain sustainable employment that leads to a livable wage and provide employers with a skilled workforce.

The NWDB will direct the use of employment resources for the benefit of our residents and current and future employers by:

- Nurturing partnerships.
- Working in conjunction with local economic development initiatives.
- Being mindful of the needs of the local economy.

The NWDB effectively identifies and responds to the workforce development changes and needs of businesses and workers alike as they strive to create and expand economic opportunities within the region's high-wage, high-growth industries.

The Board cultivates, convenes, manages, and participates in successful partnerships that bring traditional and non-traditional, public and private partners together to address economic and workforce challenges.

The Board approaches the building of these partnerships with the view that we can accomplish our mutual goals more effectively—and the region will be more successful—by working together.

All bidders are strongly encouraged to review the NWDB's website, www.northeasternwdb.org where you will find the most current approved strategic plan, a listing of board and committee members, partners and stakeholders, as well as board and committee meeting minutes.

The NWDB will award one contract for the WIOA Youth Program services. In order to be fiscally responsible, the NWDB will award one contract to the successful bidder. Bidders can apply as a consortium, but one bidder must take on the role of lead contract recipient (and) serve as the lead agency for contract and administrative purposes. The lead program and fiscal service provider will be responsible for submitting all WIOA fiscal and program outcomes and reports to the NWDB; the additional providers are responsible to report to the lead service provider named in the contract.

PURPOSE OF THIS RFP

The NWDB is issuing this RFP to identify a service provider of WIOA Youth Services (Maine's Youth Advisory Committee describes youth as Young Mainers) for the northeastern region. RIGHT TO APPEAL

Only an aggrieved person/organization may request a Stay of Award or an Appeal. An aggrieved person/organization is any person who bids on a contract and who is adversely affected financially, professionally, or personally by that contract award decision. The RFP appeal process begins the date the award notification letters are sent March 27, 2020 and appeal letters must be received by April 3, 2020 no later than 4:00 p.m. EDT. They must be submitted in writing to:

Seth E. Libby, Appeal Board Chairman

Gilbert Greif, P.A.

82 Columbia Street

P.O. Box 2339

Bangor, Maine 04402-2339

Bangor number: 207-947-2223 / Toll Free: 1-800-427-2293

info@yourlawpartner.com

The appeal letter must detail the following:

- How the award violates the law;
- How the award represents an irregularity, creating a fundamental unfairness; and/or,
- How the award is arbitrary or capricious.

The Appeal Board will be made up of individuals for whom this review would not constitute a conflict of interest. Every appeal will be granted a hearing, unless:

- The petitioner does not represent an aggrieved organization;
- The request is received after 4:00 p.m. EDT on April 3, 2020; or
- The request is capricious, frivolous, or without merit.

The Appeal Board review either will validate or invalidate the award decision made by NWDB's Proposal Review Committee. The Appeal Board cannot change or modify the award. If the award decision is invalidated, the RFP will be re-issued.

If there is an appeal of a decision made through the bidding appeal process at the Local Workforce Development Board level, the petitioner must show by clear and convincing evidence that the decision was (1) in violation of the law; (2) contained irregularities that created an unfairness; or, (3) was arbitrary or capricious. This standard is set forth at 5 MRSAs§§1825-D and 1825-E Chapter 120 of the rules for Appeals of Contract and Grant Awards.

The clear and convincing standard requires that any Appeal Board be convinced that the truth of the assertions on appeal is highly probable, as opposed to more probable as not. The Appeal Board may only decide whether to validate or invalidate the award decision that is under appeal. In determining whether an award is arbitrary or capricious, the Appeal Board must not substitute its judgment for that of the RFP and Proposal Review Committee. There is a presumption that the actions of the original agency were not arbitrary or capricious.

Any request for appeal must be made in writing within 7 days (April 3, 2020) of the date of the award decision (March 27, 2020.) The appeal must be made in writing and submitted via registered or certified mail. The request for review of appeal decision must site specific violations of the law or document specific irregularities that may have resulted in an unfair, arbitrary, or capricious decision on the part of the NWDB Proposal Review Committee.
